Dear Incorporation:

The Western Sugar Cooperative Political Action Committee (WSCPAC) is making a special effort to contact beet growers who are incorporated and enable individuals of the corporation to participate in a check-off program for political action committee (PAC) contributions.

Federal Election Commission regulations require permission from you, as president or chairman of your corporation, to solicit the members of your corporation. In order to make this more convenient for you, we have enclosed an Authorization for Solicitation form.

Signing this Authorization makes no financial commitment on your part or on the part of any members of your corporation--it simply allows us to send a solicitation letter in each designated year.

Your decision whether or not to participate will not affect your standing with your grower association or the Western Sugar Cooperative.

Also, federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year.

Please complete and sign the enclosed Authorization form and mail it back to WSCPAC. If you have any questions, please call us.

Thank you for your consideration and support.

Sincerely,

J. Kent Wimmer
